## HORSE REGISTRATION APPLICATION FORM

Please write in block capitals or type the requested information on both sides of all forms. If information unavailable write "unknown".

When applying to register your horse in the Anglo European Miniature Horse Register we request that you indicate its type by ticking the appropriate box which best describes your horse.  
See TYPES at:  
[www.aemhs.com](http://www.aemhs.com)

Categorizing your horse by TYPE helps when showing breeding or describing your horse correctly. (Please note that as horses mature, occasionally they change type and develop for example from a thoroughbred type into resembling more of a light/middleweight show hunter type, if this occurs they should be shown in the appropriate class for the type THEY RESEMBLE at the time of the show, and not necessarily the type that you indicated here.)

Anglo Thoroughbred or Arabian Miniature Horse type (Non-Native) .....   
 Middleweight Show Hunter type Miniature Horse (Non-Native) .....   
 Heavyweight Show Hunter type Miniature Horse (Non-Native) .....   
 Native Middleweight or Heavyweight NATIVE TYPE Miniature Horse .....

Please indicate if your horse requires just registration or a passport as well.

Horse Registration with certificate (£15.00) .....   
 Horse Registration with certificate PLUS separate PASSPORT (£25.00) .....   
 (A Passport is only required if the horse does not already have an Defra ID Passport) Any horse, whether or not it is already registered in other Societies, Registers, Associations, Stud Books can ALSO be registered in the AEMHS).
